1.	Charter Call for Comment	9/11/2023	https://www.oasis-open.org/	Shridhar Chari	Charter Revision [either on top or end of doc], Date of Revision/Public Adoption/ Approval	Current platform allows for this functionality. No changes to the charter as a result.
2.	Charter Call for Comment	9/11/2023	https://www.oasis-open.org/	Shridhar Chari	Will the Standard be approved by TC or Review board. We need clarity high level flow from who can submit request, Proposers, Review, Approval/Adoption	This TC will follow the defined OASIS TC process. <insert link to the TC process> Process will also be presented at the first meeting. No changes to the charter as a result.
3.	Charter Call for Comment	9/11/2023	https://www.oasis-open.org/	Shridhar Chari	In FAQ document, Can we add section for Terminology Table or Acronym and its associated description? This way even if each company or Technology segment uses their own terminology , OpenEoX definition use in meeting/discussion/documents are understood and known to all the members & public.	Glossary of terms will be defined as part of the work products of the specification. No changes to the charter as a result.
4.	Charter Call for Comment	9/14/2023	In Google Doc	Shridhar Chari Anonymous	Link Added: https://github.com/OpenEoX/openeox	Original repo created by Omar Santos. This link is intended to be the original contribution once the TC is formed. No changes to the charter as a result.
